

INLET/VENT DOORS

Our inlet doors and vent doors can be used with all the poultry facility evaporative cooling systems we offer, to bring fresh air into your building.

Insulated Sidewall Inlet with Air Deflector

Heavy duty fiberglass shell and lightweight injected foam core with R-9 insulation Value prevents condensation.

Small Galvanized Inlet

Fold out flap for winch connection. Equipped with door lock latches to keep doors closed.

Large Galvanized Inlet with Side Flaps

Sidewall doors with side deflectors to help direct air toward ceiling.
