500

Easy, Versatile Spot Heating

L.B. White's portable, lightweight Torchman and heavy-duty Bertha torches provide poultry producers with a quick, easy way to handle a wide range of agricultural spot heating needs.

Versatile Spot Heating

Perfect for burning brush, thawing pipes, melting ice and other similar heating applications, Torchman and Bertha torches offer durable steel construction along with a choice of heat outputs, handle lengths and fuel types.

- Models
 - 500,000 Btu/h
- Solid steel construction
- Only 5 to 7 lbs.
- Throttle valve to adjust output
- No regulator needed (Torchman)

Simple Set Up, Reliable Performance

L.B. White torches require minimal assembly so they are easy to set up and use. And since it's L.B. White, you know you're getting a quality design and durable components that will provide years of worry-free operation.

Knowledgeable, Friendly Technical & Customer Support

With over 65 years of heating experience and a full line of forced air, radiant and torch heating solutions, only L.B. White offers you the product quality, technical expertise and knowledgeable customer support you can count on to help you design the best heating solution for your needs.
